"With Stanley In Africa"

Episode Six

[redacted]

THE savages attack the beast and drive it into the jungle. Jack is overpowered, bound and led away. Seeing that she cannot help Jack, Nadia decides to take a big chance and rush on after Stanley.

Hassan, a friendly black, releases Jack. The two procure rifles from the camp and set out in the hope of again crossing Nadia's path.

Nadia reaches a body of water and starts to cross it. But a lion is in her path, and she flees along the shore in an attempt to evade the beast. She comes to a chasm and is forced to leap with the lion close behind her. She falls short of the edge and drops into the water below, just as the lion leaps over her. Coming to the surface, Nadia sees two alligators bearing down upon her!
