Dear Mr. Yearwood:

Five stations were reported as Distant in Space G of the subject Statement of Account, (KDSK, KTEJ, WDKA-2, WDKA-3, and WDKA-4). But a royalty was calculated for only for the carriage of KTEJ in the DSE Schedule. If the remaining stations are in fact distant to this cable system, then it appears that the royalty for this Statement has been significantly underpaid. Please review this matter and revise the Statement as necessary. Should you determine that an additional payment is due, the interest rate for the 2021/1 accounting period is 1.00%. Feel free to contact me if you have any questions.
