If the Skipper didn't come out of his fishing trip in a few minutes, the terrible tempered Mr. Bangs would explode and the [illegible] 5:15 special on the Toonerville Trolley would be late for the fourth time in as many days. But both were saved, the Skip had made a haul and was ready to perambulate on schedule.

Clanking into the village, the [illegible] unknown passengers of the trolley were introduced to the one and only eating [illegible] in town maintained by the congenial and obliging Bangs. While Bangs was [illegible] his daughter Elsie was the brains, Boob McNutt, the head waiter and serv[illegible]rtment and the powerful Katrinka the kitchen Mechanic and cook. It was a hea[illegible]ing clinic of mean proportions and to this came the people including handso[illegible]are, the Skipper's nephew.

It was a case of love at first [illegible] as far as Jack and Elsie were concerned, much to the chagrin of McNutt and L[illegible]h, the village cobbler, who, it was rumored, because he dealt in boots also han[illegible] little bootlegging.

Bangs to make the summer pa[illegible] signed a ninety day note in the fall which fell into the hands of the vil[illegible]er. Business had its depression in Toonerville like other cities and Ban[illegible]f unable to meet his obligation. But Lush was not to be "stalled" he would [illegible] the note if Bangs would give him Elsie's hand in marriage. This appeare[illegible]ly satisfactory solution to his trouble and Bangs agreed, but Elsie had [illegible]n consulted. She would never consider Louis Lush for a husband. Jack Dare ha[illegible] made in heaven for her.

Cynthia Snoop who sensed Bangs [illegible]ament appointed herself guardian of Elsie's affairs and would do everything in her power to bring about Lush's match. After weeks of trailing her vigil was rewarded and she caught Elsie and Jack together. It was time that Bang's should be told of his daughter's goings ons. On the bank of the creek the pair were detected and ere the irate parent could give vent to his wrath, Boob McNutt transformed into a person of [illegible] importance interveeded and after revealing his identity as a government agent [illegible] the trail of bootleggers, declared that he had the goods on Lush and was about to place him under arrest. This altered the situation considerably and the people started off to apprehend the bootlegger.

At the intersection of the main road leading to town, the Skipper encountered trouble with Lush and his Gas Wagon. Both demand precedence to start first and while the pair are arguing, the government agent comes upon them. Lush is immediately placed under arrest and as Jack and [illegible]is side off together, Bangs places a restraining hand on them only to learn the [illegible]y had skipped off earlier in the week and were married. His wrath cools consid[illegible] he is told that Jack is a wealthy New York engineer and only returned to To[illegible] on a vacation.

Too much gossip has passed for Cynthia Snoop to remain unheralded who demands the immediate departure of the car to town.
