Persons wanting a CAMPAIGN PAPER can have the Tri-Weekly Whig six months, from the first of July to the first of December, for one dollar, and we will not receive subscriptions for a less period than six months.

Now is the time to subscribe! The political campaign for 1860, promises to be one of the most interesting and exciting, we have ever had. The CONSTITUTIONAL UNION PARTY have their ticket in the field, and a more patriotic, and unexceptionable ticket has never been before the country.

The Black Republicans at Chicago, after a stormy session, some fighting and much abuse of each other, have, in the midst of liquor and much hard swearing, nominated ABE LINCOLN, the Illinois Abolitionist, who was supported for Professor's Administration, 18 months ago, for the Senate, in opposition to DOUGLAS! On the ticket with this Administration joke, is SENATOR HAMLIN, of Maine, an Abolitionist of the John Brown, Helper-School—a man, who, in mind, manners, morals, features, mouth, hair, dark skin, and woolly head, could be sold in the South for a negro!

The regular Democracy, at Baltimore, have put forth Douglas, the representative of Squatter Sovereignty, as their candidate. The Rump Convention, whose delegates seceded, have put forth Breckinridge, the representative of Southern Democracy, and of Southern Dissatisfaction as their candidate. However opinions may vary in this book, and this gives us the "opinion of others" in the field, and promises of a long and fierce struggle, we have no fear as to right, and we open our field for all comers. Let those who desire to be posted, send for our Whig.

Hartford Fire Insurance Company.

We print the one hundredth semi-annual statement of the Hartford Fire Insurance Company. The old Hartford, as it is familiarly called, was incorporated in 1810, with a perpetual charter. It has been a successful general Fire Insurance business for half a century. Its capital and surplus amount to nearly a million of dollars; its stock is quoted at a higher rate than any American Company. Of this a month is then sold at 85th, and this price is really offered without sales of any amount. Its semi-annual dividends have become 10 per cent fixed facts. A detailed statement of its assets will be found in another column; all the investments are first class.

To those in want of Insurance, by calling on the undersigned, can be accommodated. Remember, a few dollars thrown away here thousands, and which is very acceptable in times of distress to unfortunate sufferers. Insurance policies issued for any part of East Tennessee.
