DOCTOR S. ALT. EXT. OF

CURES DISEASES OF THE

THROAT, LUNGS, LIVER & BLOOD

In the wonderful medicine to which the afflicted are above pointed for relief, the discoverer believes he has combined in harmony more of Nature's most sovereign curative properties, which God has instilled into the vegetable kingdom for healing the sick, than were ever before combined in one medicine. The evidence of this fact is found in the great variety of most obstinate diseases which it has been found to conquer. In the cure of **Bronchitis, Severe Coughs,** and the early stages of **Consumption,** it has astonished the medical faculty, and eminent physicians pronounce it the greatest medical discovery of the age. While it cures the severest Coughs, it strengthens the system and **purifies the blood.** By its great and thorough blood purifying properties, it cures all **Humors,** from the worst **Scrofula** to a common **Blotch, Pimple,** or **Eruption.** Mercurial disease, Mineral Poisons, and their effects, are eradicated, and vigorous health and a sound constitution established. **Erysipelas, Salt Rheum, Fever Sores, Scaly or Rough Skin,** in short, all the numerous diseases caused by bad blood, are conquered by this powerful purifying and invigorating medicine.

If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish brown spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chills alternated with hot flushes, low spirits, and gloomy forebodings, irregular appetite, and tongue coated, you are suffering from **Torpid Liver** or **"Biliousness."** In many cases of **"Liver Complaint"** only part of these symptoms are experienced. As a remedy for all such cases Dr. Pierce's Golden Medical Discovery has no equal, as it effects perfect cures, leaving the liver strengthened and healthy. For the cure of **Habitual Constipation** of the bowels it is a never failing remedy, and those who have used it for this purpose are loud in its praise.

The proprietor offers $1,000 reward for a medicine that will equal it for the cure of all the diseases for which it is recommended.

Sold by druggists at $1 per bottle. Prepared by R. V. Pierce, M. D., Sole Proprietor, at his Chemical Laboratory, 663 Seneca street, Buffalo, N. Y. Send 25 cents for 100 page pamphlet.

WOMAN.

By authority of nature, extending through a period of many years, having within that time treated over nine thousand cases of those diseases peculiar to woman, I have been enabled to perfect a most potent and agreeable medicine that meets the indications presented by that class of diseases with positive certainty and exactness.

To designate this natural specific compound, I have named it

Dr. Pierce's Favorite Prescription.

The term, however, is but a feeble expression of my most matured appreciation of its value, based upon actual and witnessed results. As a close observer, I have while witnessing its positive results in the few special diseases incident to the separate organism of woman, singled it out as *the crowning gem of my medical career.* On its merits, as a positive, safe, and effectual remedy for this class of diseases, and one that will at all times and under all circumstances act kindly and in harmony with the laws which govern the female system, I am willing to stake my reputation as a physician. Nay, even more, so confident am I that it will not disappoint the most sanguine expectations of a single invalid lady who employs it for any of the ailments for which I recommend it, that I offer and sell it under A POSITIVE GUARANTEE. If a beneficial effect is not experienced by the time two-thirds of the contents of the bottle are used, I will, on the return of the bottle, two-thirds of the medicine having been taken according to directions, and the case being one for which I recommend it, promptly refund the money paid for it. Had I not this perfect confidence in its virtues, I could not offer it as I do under these conditions; but having witnessed its truly miraculous cures in thousands of cases, *I feel warranted and perfectly safe in risking both my reputation and my money on its merits.*

The following are among those diseases in which my *Favorite Prescription* has worked cures—as if by magic and with a certainty never before attained by any medicine: Leucorrhœa, Excessive Flowing, Painful Monthly Periods, Suppressions when from unnatural causes, Irregularities, Weak Back, Prolapsus, or falling of the Uterus, Anteversion and Retroversion, Bearing Down Sensations, Internal Heat, Nervous Depression, Debility, Despondency, Threatened Miscarriage, Chronic Congestion, Inflammation and Ulceration of the Uterus, and very many other chronic diseases peculiar to woman not mentioned here, in which, as well as in the cases which I have mentioned, my Favorite Prescription works cures—the marvel of the world. This medicine I do not extol as a cure-all, but it admirably fulfills a singleness of purpose, being a most perfect specific in all chronic diseases of the sexual system of woman. It will not disappoint, nor will it do harm in any state or condition. It is a most powerful Restorative Tonic to the general as well as the sexual system, also combining the most valuable nervine properties. Both the muscular and nervous forces are strengthened and built up by its use. It will be found invaluable in diseases incident to pregnancy, and can be taken in moderate doses with perfect safety while in that state. Indeed, it is a *Mother's Cordial,* and so prepares the system for parturition that it renders child labor easy. I have received the heartfelt praise from hundreds of mothers for the inestimable benefits thus conferred.

I offer my Favorite Prescription to the Ladies of America with the sincerity of an honest heart, and for their best welfare. Those who desire further information on these subjects can obtain it in my Treatise on Chronic Diseases of the Generative Organs, sent secure from observation upon receipt of two postage stamps. It treats minutely on those diseases peculiar to females, and gives much valuable advice in regard to their management.

DR. PIERCE'S FAVORITE PRESCRIPTION IS SOLD BY ALL FIRST CLASS DRUGGISTS at $1.50 per bot.

This Cut illustrates the manner of Using

DR. PIERCE'S Improved Nasal Injector, OR DOUCHE.

This instrument is especially designed for the perfect application of

DR. SAGE'S CATARRH REMEDY.

It is the only form of instrument yet invented with which fluid medicine can be carried *high up* and *perfectly applied* to all parts of the affected nasal passages, and the chambers or cavities communicating therewith, in which sores and ulcers frequently exist, and from which the catarrhal discharge generally proceeds. The want of success in treating Catarrh heretofore has arisen largely from the impossibility of applying remedies to these cavities and chambers by any of the ordinary methods. This obstacle in the way of effecting cures is entirely overcome by the invention of the Douche. In using this instrument, **the Fluid is carried by its own weight, (no snuffing, forcing or pumping being required,)** up one nostril in a full gently flowing stream to the highest portion of the nasal passages, passes into and thoroughly cleans all the sinuses and chambers connected therewith, and **flows out of the opposite nostril.** Its use is pleasant, and so simple that a child can understand it. **Full and explicit directions** accompany each instrument. When used with this instrument, Dr. Sage's Catarrh Remedy cures recent attacks of **"Cold in the Head"** by a few applications.

Symptoms of Catarrh. Frequent headache, discharge falling into throat, sometimes profuse, watery, thick mucus, purulent, offensive, &c. In others a dryness, dry, watery, weak or inflamed eyes, stopping up or obstruction of nasal passages, ringing in ears, deafness, hawking and coughing to clear throat, ulcerations, scabs from ulcers, voice altered, nasal twang, offensive breath, impaired or total deprivation of sense of smell and taste, dizziness, mental depression, loss of appetite, indigestion, enlarged tonsils, tickling cough, &c. **Only a** few of these symptoms are likely to be present in any case at one time.

Dr. Sage's Catarrh Remedy, when used with **Dr. Pierce's Nasal Douche,** and accompanied with the constitutional treatment which is recommended in the pamphlet that wraps each bottle of the Remedy, is a perfect specific for this loathsome disease, and the proprietor offers, in good faith, **$500 reward** for a case he can not cure. The Remedy is mild and pleasant to use, containing no strong or caustic drugs or poisons. The Catarrh Remedy is sold at 50 cents, Douche at 60 cents, **by all Druggists,** or either will be mailed by proprietor on receipt of 60 cents. **R. V. PIERCE, M. D.,** Sole Proprietor, BUFFALO, N. Y.

A Stirling Article.—Nature's Hair Restorative. So clear, so fragrant, so efficient in restoring gray hair and keeping the head healthy. Ask your druggist for it. See advertisement.

Mr. Renne claims that the name "Magic Oil" is his "trade mark," and that all persons who use that name for a medicine do so at their peril, as much as though they stole any other property of his, besides their extra meanness! The genuine Renne's Pain-Killing Magic Oil is what the people want and will have.

Dooley's Yeast Powder—Is put up in packages to suit the wants of all. Superior to any other Baking Powder in market, and convenient, economical and wholesome. A single trial will convince the most skeptical that it is as represented the most reliable, healthy and cheapest ever offered to consumers.

May Bros. have a full line of Crockery, China and Glassware.

Chapped Hands, face, rough skin, pimples, ring-worm, salt rheum, and other cutaneous affections, cured, and the skin made soft and smooth, by using the Juniper Tar Soap made by Caswell, Hazard & Co., New York. It is more convenient and easily applied than other remedies, avoiding the trouble of the greasy compounds now in use. m-t-weow.

Pure Starch.—When starch is pure, it is free from sourness and is purely white. Inferior starch has a golden or yellow tinge, the color of flour, indicating the presence of gluten (a color not desirable in one's linen), or is sour and musty. It is absurd for the laundress to cleanse and bleach and then discolor linen with impure golden or yellow starch. Duryea's "Satin Gloss Starch" is snow white, perfectly pure, and the most economical starch known.

Notice.—Unprincipled Manufacturers are stealing as much of the label, formulas and name of Dr. Price's Baking Powder, as they dare in order to make a market for their worthless imitations. See to it that Dr. Price's name is on each box, the only guarantee of its genuineness. It is the purity, strength, and healthfulness of Dr. Price's Baking Powder that has given it its popularity, which is being shared by his Special Flavorings, Lemon, Vanilla, Almon, etc., which if once used will always be used.

Agricultural Society Notice.—There will be a meeting of the members of the Rock Island County Agricultural Association and Board Saturday, December 7th at 2 P. M. at the Court House, in the city of Rock Island. All members are requested to be present, as business of importance to every member will come before the meeting.

The fee for membership was reduced to $10. All who desire to become members should hand in their names to the Secretary on or before Saturday, December 7th.

Kunkel's Bitter Wine of Iron.

Kunkel's Bitter Wine of Iron is guaranteed to cure the worse case of dyspepsia, liver complaint, jaundice, chronic or nervous debility, diseases of the kidneys and all diseases arising from a disordered liver and stomach, such as fullness of blood to the head, acidity of the stomach, nausea, disgust for food, fullness or weight in the stomach, sinking or flatulency at the pit of the stomach, swimming of the head, hurried or difficult breathing, fluttering at the heart, choking or suffocating sensations when in a lying posture, dimness of vision, yellowness of the skin, and for purifying the blood and building up the system in general.

Price of the Bitter Wine of Iron, $1.00, every bottle guaranteed, or the money refunded. Beware of counterfeits, buy only Kunkel's, take no other; it is wrapped in a yellow wrapper around, with the proprietors photograph on. All other is counterfeit.—Depot 266 North Ninth street, below Vine, Philadelphia. (Go there, advice free.) 10-2id&wly

The Culture of the Hair.—Just as surely as a soil infested with Canadian thistles can be made to produce fine crops of golden grain, the scalp now scarcely covered with harsh, dry, unmanageable hair can be made prolific of silken tresses. All that is necessary to effect the change in either case is the right kind of fertilizer. Leaving the agricultural chemists to determine how the barren land shall be made fruitful, we positively assert that Lyon's Kathairon is unequaled is a fertilizer and beautifier of the head. Twenty-five years of success is the basis of this unqualified statement. During that time it has been used by many millions of both sexes, and the first instance in which it has failed to fulfil the expectations of a rational purchaser has yet to be discovered. It will not cause hair to grow on a varnished gourd; but wherever the roots of the hirsute fibres remain undisturbed it will cause them to put forth new shoots, and in all cases where the hair has become thin it will increase its volume.

Other News, Etc.

New York, Nov. 25.—A morning paper publishes to-day the story, current in newspaper circles for nearly a week, that Horace Greeley is insane, and says that he is now in the insane asylum at White Plains: "The same paper makes public an interview with Whitelaw Reid, in which that gentleman is made to say, in answer to a question, that Greeley has been under medical treatment for some time. He is always eccentric in manner, and very likely might be considered by some stark mad. For months prior to the death of his wife he did not sleep an hour a night, and since her death he has been in the same condition." In answer to the question, "Is it true that Greeley drew a knife on one of friends?" Reid is made to answer by the interviewer: "I tell you he (Greeley) has done nothing which to those who know him seems strange. He is always an eccentric man, and, at best, acts as if he were queer, but now, when nervously prostrated, strangers might think him crazy. I have seen him positively furious when a first proof was brought him instead of a revise, but I know and understand him." Reid said Greeley, notwithstanding his loss of sleep and appetite, was in general good health, and made a request of the reporter to say he was "only nervously prostrate—there was no good in saying more. Greeley has had enough to worry him, and what he needs is quiet and rest."

Mr. Sinclair, publisher of the Tribune, stated to an Express reporter to-day that Greeley's mind is not seriously affected and that he is only suffering from nervous prostration. An interviewer obtained from the Tribune the statement that they knew nothing of Mr. Greeley's insanity or of his being placed in an asylum, he being much depressed for some days; but when last heard from had sufficiently recovered to be able to eat regularly and to converse with his friends. Mr. Greeley is in need of rest from the annoyance of visitors and the cares of business.

The Express has assurances that Greeley is not in the very bad state of health indicated by the story published this morning, though unable to be at his post or to perform editorial duty. It discredits the statements made and hopes soon to see him restored in health and with "spirit enough to strike back at those wanting in magnanimity."

In relation to the reported detection of election frauds in Louisiana and the transfer of that State from Greeley to Grant in consequence, the Tribune says: "If Gov. Warmoth or any person has been engaged in tampering with the returns, we trust that speedy punishment may be awarded for the crime against free institutions thus committed. No candidate has or could have in any election an interest so great as that of the whole people that their will, honestly expressed, should be honestly recorded."

Boston, Nov. 25.—In the Senate today, the Joint Special Committee of Insurance reported a general insurance bill. In the House, a bill was reported authorizing the city of Boston to borrow twenty millions of dollars, and loan the same on proper security, to sufferers by the fire, the act to be accepted by both branches of the Boston City Council before it becomes valid.

The revenue defrauding case against Wm. F. World & Co., is said to have been compromised by the latter paying into the Treasury $490,000. The amount originally claimed by the Government was $1,400,000. The suit against the same firm in New York has been compromised by the payment of $120,000.

Washington, Nov. 25.—The President's message is completed in the rough, and is to be considered by the Cabinet to-morrow. He does not declare in favor of general amnesty.

U. S. vessels have not been ordered to co-operate with the British expedition against the slave trade, as stated in a special to a New York paper.

Gen. McDowell has been appointed Major General, in place of Gen. Meade, and ordered to the Department of the South. Gen. Hancock is ordered to the Department of the Atlantic.

Paymaster Hodge, sentenced to ten years' imprisonment on charge of embezzlement, has been pardoned by the President.

General Terry will take command of the department of Dakota vacated by Gen. Hancock.

Chicago, Nov. 25.—The police report but sixteen arrests for violation of the Sunday liquor law, and it has become evident that it is possible to enforce the ordinance. Prominent members of the Personal Liberty League despair of securing the repeal of the State liquor law.

Peoria, Nov. 25.—The Board of Underwriters to-day approved an advance in the rates of insurance, but strongly protested against any reduction in the compensation of agents.

Memphis, Nov. 25.—Rain has been falling steadily since last night and scarcely a horse or a mule can be seen on the streets. Business is suffering in consequence.

The horse malady has caused a virtual suspension of business. The depots are filled with freight which it is impossible to deliver.

Raleigh, Nov. 25.—The conservatives in caucus this evening nominated ex-Governor Vance for U. S. Senator. Seven or eight of Judge Merrimon's friends withdrew from the caucus. Balloting commences to-morrow.

Omaha, Nov. 25.—Three men, named Rocha, Herman and Meyers, were found dead at the old government camp about forty miles north of McPherson station, in the Trap Fork, two days ago. They had the appearance of being murdered by white men. They were hunters and trappers who had left McPherson on November 14th.

Denver, Nov. 25.—About six o'clock last evening Charley Hughes, son of a well known speculator and contractor of this city, shot and mortally wounded Jno. L. Hayman, a young man employed in the abstract office of Daniel Miller; both parties are young men about twenty years of age. It is reported that a woman was the cause.
