"SATAN'S TWIN"

"DO OR DIE"

Episode Eleven

~~"The Cipher Key"~~

SATAN'S men open the doors of the hut as Jack staggers out. Revived by the air he engages Satan's men and they fight away from the cabin where Jack is knocked over a cliff while Dolores is capturned. Satan secures the ring from her and his man take her to the castle. Jack sees them go and follows.

Satan compares the ring with an old parchment—upon which his ancestor, the pirate, had written the secret to the ring after burying the treasure. Satan deciphers the location of the treasure, when word comes that Jack is entering the castle.

Satan angrily leaves the room and the Mystery Woman enters and takes the parchment. Satan's men attack Jack as he is trying to liberate Dolores. Satan, glad to get rid of both of them, now that he has both ring and parchment, throws a bomb at Jack as he stands by the door of Dolores' cell. The bomb explodes and the entire cell cayes in.
