"DO OR DIE"

Episode 15

"A Race For Life"

SATAN'S shot misses Jack as the latter drops to the ground and escapes with Dolores. The pair cross the lake in their endeavor to shake off their pursuers. Meanwhile Satan and his gangsters are frantically trying to overtake Merton and Dolores. They are unable to pick up the trail and return to Satan's castle stronghold to await word from one of their many spies who are continually on the lookout for or shadowing Merton and Dolores.

Jack now has the parchment, while Satan retains possession of the ring The Mystery Woman eludes Satan's henchmen and goes to the port office to tell the Port Captain, Jack's staunch ally, that Merton is in hiding on the island in the lake. One of the employees in the Port Office is a spy of Satan. He overhears the Mystery Woman revealing Merton's hiding-place and he immediately phones Satan that Jack and Dolores are on the island in Crystal Lake.

Satan and his band immediately hurry to Crystal Lake in pursuit of Merton and Dolores. To approach the island unseen by the fugitives Satan and the othehs conceal themselves in the bottom of a rowboat which one of them rows over to the island.

Merton, trying to find the bridge to the mainland in order that he will not be seen by Satan's men, asks the occupant of an approaching rowboat how to get to the bridge. The oarsman is one of the band—the others are hidden in the boat. The man comes ashore and starts to direct Jack to the bridge. The rest of the gang sneak ashore and overpower Jack and Dolores.
