"LAW AND ORDER"

By Hal E.Roach.

With the newspapers revealing alleged stupendous grafting on the part of "KuKLux" potentates, Pathe announces for release a comedy featuring "Snub" Pollard called "Law and Order" in which a local group of the "Klan" figure in wholesale automobile burglary. Pollard is the overworked and anxious district attorney of "Ouija Falls" Where even the police patrol wagon is stolen, and Mamie Mosquini is legal representative of the local "Klan." As often as the district attorney drives to court to prosecute an automobile burglar his own automobile is stolen. It is the same way with the judge -- and their own machines expertly disguised are repeatedly sold back to them. The head burglar has a fine sense of humor. He maintains a garage with a force of workmen capable of transforming anything on wheels while you wait. But the district attorney is so faithful and energetic that the burglars, fortheir own protection, organize a "Klan" -- and the plot thickens. Everybody owns a stolen machine, and is constantly buying it over again freshly painted another color. The court is kept busy acquitting red-handed offenders on faked evidence and intimidation. The jury usually consists of twelve good and faithful "Ku Klux". Foremost citizens join the "Klan", and"the poolrooms are deserted." The district attorney, however, persists in his efforts to clean up the town. Accident gets him into the costume ofthe "Chief Ku Ku" and he is able to collect amazing evidence--until his ruse is discovered. Then the lady legal representative gets busy and the "night riders" attend to the rest, with the aid of a telegraph pole and a noosed rope.
