"TERROR TRAIL," No. 18
"The Final Reckoning"

ELAINE and Bruce escape, and follow the girl and butler. In town the girl tells the butler to bring Hunch to a rendezvous and she will meet them. They separate. Elaine and Bruce arrest the girl. Elaine disguises herself to resemble the girl. She keeps the date with Hunch and the butler and takes them to the barn, while Bruce enlists the aid of the U. S. marshal. Arriving at the barn, Elaine secures the third part of the formula and substitutes another for it. She arouses the suspicions of the leader and Hunch. She is unmasked and at the mercy of the men. Bruce and the others ride to make the raid. Elaine holds off her captors. Bruce and the others arrive and capture the gang.

His work accomplished, Bruce goes to headquarters to report and to turn in the formula. There he learns Elaine is also of the secret service. Elaine surprises them all by destroying the formula for the best interests of the entire world. Bruce learns that Elaine was working with him not only in her line of duty, but also as a labor of love.
