HURRICANE HUTCH - Ep. #9 - "Overboard." ©CIL 17310 DEC -6 1921

The chapter opens showing Hutch and Nancy extricating themselves from their perilous predicament in the avalanche of sand. Hutch is separated from the girl and in his wanderings through the woods, encounters one of his enemies, Tigerly. Both engage in a fight on a high bridge over a river and Hutch is thrown into the stream below. Tigerly goes back to the ship, where Nancy is a prisoner and tells of the finish of Hutch.

Brinkley, the fugitive, however, encounters Ann Haviland, and both are on their way to the beach when Hutch appears. The three decide to paddle out to the yacht, Hutch planning to tamper with the engines so that the yacht cannot get away. He is about to accomplish his deed when he is discovered and a terrific fight on the decks of the vessel ensues. Before the natives of the island can draw near enough to bring aid, the vessel steams out to sea, with Hutch and Brinkley thrown overboard. Both plan to hail a passing ship from a sailboat which they find on the island, and set out to sea. As they reach the ocean road where ships pass, a heavy gale blows up and the two men are helpless against the elements which assail them.
