[illegible] 17322 [illegible]-IN-TH[illegible] By [illegible] Roach. [illegible] 1927

The comedy tells the story of the fear in the small town over the ravages of the bad man who is running wild and terrorizing the surrounding country. Pollard would like to win the reward and invest it in the Penny Arcade, as then he would be able to enjoy himself to the fullest extent. After trying a plugged nickle on every machine in the place, he is about to depart when he comes in contact with Horrible Horace. Both of them try their strength with a machine which wins you five dollars when a punch on it registers 1000, and by an accident, Horrible Horace is knocked out. "Snub" is very much surprised to receive the reward for his capture.. When he does, he has it all changed to nickles and pennies and enjoys five hundred dollars worth of pleasure in the arcade.
