"Oh, Nursie!"

One-Reel Star Comedy

ARSENIC LOOPHANG, a garage keeper, is head of a band of automobile thieves. His band steals the flivver, piece by piece, of Ka Flippe while he is flirting with a pretty girl in another car. The thieves leave the chassis, however, and Ka Flippe is able to take the remains of his car away. He runs into a wall trying to keep his eyes on the girl and drive at the same time. The auto thieves, meanwhile, attempt to flirt with Ka Flippe's girl from the tonneau of his car as it is being driven along on a truck.

Arsenic celebrates his coup by going on a spree. He later gets the D. T.'s by mistaking gasoline for hootch, and is put in the same hospital ward as Ka Flippe, who is there on account of his running into the wall with his flivver.

A bill poster sticking up one-sheets for a circus lets some of the paper blow away and the wind takes it and sticks it up on the wall of the hospital ward. A picture of a snake and one of a lion scare the patients. In his fright Ka Flippe jumps into the wrong bed, already occupied by the doctor's fiancee, the girl with whom he flirted before. The doctor discovers him there and after an exciting chase catches him outside of a bootlegger's drug store. Here they settle their differences and drown their enmity in hootch.
