"SWEET COOKIE"

Broadway Comedy

Eddie is called upon to manifest his prowess on the golf course which he does with many surprising results. He essays to instruct Vera Reynolds and the most extraordinary things happen to them both in the pursuit of the royal and ancient game. But Eddie's troubles on the golf course are only preliminary to much serious misadventures.

It is discovered that a distinguished lady guest is expected at dinner at Vera's home and there is no chef to provide the dinner. So Eddie poses as a French chef and takes command of the kitchen with disastrous results. Of course the viands are sadly maltreated by the bogus disciple of Francatelli. However, in despair he rescues himself from utter annihilation by ordering a dinner which is duly served, saving the lady of the house and her guests from starvation. When Vera goes into the kitches to discover the source of all the trouble, Eddie's false mustache and imperial drop off, which also become "sweet cookie" or nearly so. The little lady finds out that the distinguished French Chef is none other than her fond and ardent Eddie so both she and her parents are satisfied to take to take such a clever cook for life.
