Thrillometer Record—Episode Five

"SHOT INTO SPACE"

"Hutch" is attacked by three ruffians on a pier. There are some smashing fist fights, and a chase that takes them over roofs, trains and onto barges. In an effort to escape he jumps into a cable coal car.

Dariel rushes to warn "Hutch" of conspiracy. Paul has hidden in her car and sets off flare that is signal to blow up a scow that will put a serious obsacle in "Hutch's" path. Dariel tries to get flare away from Paul. It sets the car on fire.

"Hutch" hangs from overhead bridge and grabs Dariel from the burning car. It runs onto the scow and blows up at the dock, where it will do no harm.

"Hutch" finds Mott and Paul clogging the grain elevator. They fight. "Hutch" falls out window, rolls along roof and grasps the coping. It has rotted and gives way under his weight.....
