.JUMP YOUR JOB.

APR 27 '22

ByHal E. Roach.

Snub has a lowly job -- lowly in the sense of not much money and when he professes love and marriage the stern parents' answer is for him to get a better job before he makes another proposition to the daughter.

The results as shown in the comedy, show that Snub is a young man of fertile imagination and much activity and is flitting from job to job -- eventually lands a position that permits him to again seek the hand of the one he desires -- with satisfactory results.
