"WITH STANLEY IN AFRICA"

Chapter Fifteen

"The Good Samaritan"

HARDEN finds Nadia. He slides down the sandy slopes to her, but is overcome by the fumes before he can get her out. His Arabs, searching for him, fire their rifles as a signal. Jack, who has been lost, hears them and heads for the place. He arrives in time to rescue both Nadia and Harden from the pit.

On November 10, 1871, Stanley enters Ujiji. There he at last finds Livingstone and the knowledge that all his work and suffering have not been in vain is indeed good. He brings letters and news to the missionary, who has been shut off from the world for many years.

Jack and Nadia arrive with Harden. Nadia is overcome by her weary journey and has a fever. Jack finds a place for her and goes to report their safe arrival to Stanley. Night comes.
