The mysterious stranger returns to find Edith Stanton his prisoner missing. Ajax, his ape returns to the hut, and gives his master the medal he succeeded in getting from Brandon. The mysterious stranger examines medal and slips it in shirt. The stranger now thinks of Edith and plans to go in search of her. He tells the ape and the pinhead, who was supposed to have kept guard over Edith, but went to sleep, of his plan; they start out.

Brandon, rushing through the jungle, is familiar with the various jungle tribes, follows their quaint guide posts on the road to Tomikey, where he hopes to find Condo and convince him that Professor Stanton,s treasure is to be turned over to him. At the edge of a swamp, Brandon halts, - about to wade through when frightened by the approach of lions. Brandon is startled at the sight of anrhino in the swamp; between the two fires, Brandon rushes for the nearest tree into which he escapes. In the tree are monkeys; Brandon watches these and sees one swing from the branches of the tree to the other side of the swamp. This offers a suggestion to Brandon, he will dothe same. After many attempts, Brandon barely misses the rhino and lands on the other side where he scoots into the jungle and is on his way.

Mac, Jim, and Edith are on their way through the jungle in search of Brandon. A stray tiger cub wandering about the jungle is picked up by Edith who becomes enthusiastic and delighted over the antics of the small creature. The mother upon returning to her lair, misses her cub and starts out after her. An enraged roar warns Edith that danger is near. The three have reached a cleared space in the jungle where the sun beats down with terrific force. As Edith rush to Mac and Jim, all are shocked as the earth beneath them trembles; this is but a warning of what is to come. Mac and Jim rush to the aid of Edith but when within a few feet of her, - another shock splits the earth at her feet and Edith disappears from sight. Mack and Jim rush to the edge of the gap and see that Edith has landed upon a small shelf of earth where the cub is whimpering with fear. Edith calls up to Mac and Jim, - when another shock tumbles both men into the gap. The whimpers of the cub have attracted the mother and when Edith again looks up through the falling earth, she sees the huge, enraged beast at the top. Another roar of outraged motherhood, and the beast leaps upon Edith beloe.
