GO GET 'EM HUTCH #8
Episode #8
"The Broken Life-Line"

"The Broken Life-Line is the title of the eighth episode of GO GET 'EM HUTCH, starring Charles Hutchison. The current chapter shows the "stunt" star performing a novelty thrill in rescuing Marguerite Clayton from a burning ship in the Hudson River. Hutch, on shore, rigs up a life gun, life line and breeches buoy, and shoots the line to the ship. When it is secured, he slides down the line in the breeches buoy and is about to bring the girl to safety when the line snaps, dashing them both against a cliff. Other thrills are seen in the episode and a hair-raising climax places the hero and heroine in a preilous predicament.
