Synopsis.

The Treasure Cave..... Fourteenth Episode
~~The Rescue.....Fifteenth Episode.~~

Mac, the driver, Jimmy, and some of the members of the Expedition party are surrounded by tigers. The second tank comes to the rescue; Condo again appears and kidnaps the two girls who are left alone in Tank #2 while the men work over Tank #1. Condo heads for the treasure cave. Mac and Jim follow. Brandon, however, has already reached the village of Tomikey and convinces the native servant of the missing Condo that he is the heir to the Stanton fortune. The servant leads the way to the treasure cave where they investigate and are about to enter the treasure room when they hear the approaching motor. They rush above and hide, sending the servant back to the village for help. Condo and the two girls come in and enter the cave where Condo displays the treasure and all are found by Mac and Jim who rush in and embrace the girls. ~~Brandon~~
