"LOVE DROPS"

One-Reel Star Comedy
Starring **NEELY EDWARDS**

HIT by a train, Nervy Ned's Ford is wrecked. He repairs it with a piece of string and a safety pin and is later arrested and fined for parking his car in a restricted area. He gives the cop a check for the fine and has the cop write the receipt on the back of the check and keeps it himself.

Playing with some bathing belles on the beach, Ned is told of his uncle's death and the willing to him of the relative's fortune, provided he has nothing to do with women. He faints and is restored by a flask of Love Drops. The after effects of the stimulant are surprising—all the women i nsight pursue him.

Trying to shake off his pursuers, Ned dives into the sea, where he is immediately vamped by a mermaid. He finally decides upon a business career, turns salesman and peddles Love Drops to all his friends with great success.
