"RUSTLERS OF THE REDWOODS"

Universal Lumberjack Series
Starring **ROY STEWART**

LARRY, a forestry agent, saves from death the dog of Madge Grant. His discovery of certain irregularities in the tree brands becomes known to Gelson, a sub-foreman, and Emmett, the superintendent, both of whom plot to get rid of the government representative. That night Grant, treasurer of the logging company, is knocked down and robbed of the payroll by Emmett, who attempts to escape, but is followed by Madge, who climbs aboard the engine on which he tries to flee.

Larry, seeing a suspicious-looking woodsman brand a tree at night, goes to investigate and, after he has climbed well up the tree, is surprised and made a prisoner by Gelson. He manages to effect his escape in time to go to the rescue of Madge, now helpless on the runaway locomotive. He brings the engine to a standstill within a few yards of the escaping Emmett and overpowers him. Gelson and his gang are brought to justice, and Larry develops a great affection for Madge.
