Longshoreman	Tom Wilson

"WHEN KNIGHTHOOD WAS IN TOWER".

Synopsis

In the hotel St. Moe lobby, where Gladys Murgatroyd reigns as Queen of the Switchboard, Jerry, the house sleuth, is trying to collect a hotel bill from Robert Westover, a would-be author. Robert is hard-pressed, and cannot pay.

Guy Austin Tower, a hotel guest and a noted actor and producer, is a great friend of Gladys's.

That evening, as Gladys is about to enter Childs for dinner, she meets Robert, who looks hungry. She forces him to go in with her. Guy Austin Tower sees them, and Robert takes this opportunity to show Tower his play. He tells Robert it is not true to life and he can do nothing with it. Gladys tells Robert she has a plan whereby Guy may after all take the play.

She plans a frame-up whereby Guy Austin Tower is made the center of all sorts of exciting events and then thrown into prison ---- and he realizes that the strangest things can happen in real life. Robert sells the play to Tower, Gladys is again "Little Miss Fix-It".

oooooooooooo

The End.
