"FAST STEPPERS"

Two-Reel Universal-Jewel Series

No. 6—"Getaway Day"

THE Kid bets five hundred dollars (his getaway money) on Hiawatha, at 6 to 1, and—loses. Later, at the Cantina, in protecting the Doll from Black Murdock's insult, he knocks out the outlawed turfman, and starts a free-for-all. In revenge, Murdock kidnaps the Doll as she is on her way to join the Kid and Henry.

The Kid tracks Murdock's kidnaping car across the border, and aids a dying Mexican, knifed in an attempt to rescue the Doll from her abductor. The glare of the Kid's auto headlights on a shrine terrifies Murdock's superstitious accomplices, and they desert him in panic, believing a miracle has come to pass. The Kid arrives, and after a terrific battle, knocks out Murdock and rescues the Doll.
