Synopsis of Our Gang Comedy
"Every Man For Himself"

Produced by
Hal Roach

The Gang rents a gymnasium and conducts a patent shoe shining establishment to take care of the overhead. They have constructed a weird looking lot of machinery to run the shining and hat blocking apparatus and show it off to the public through a peep-hole so arranged as to [illegible] eyes of all lookers with soot. About this time a pair of twin boys blow into the neighborhood. One is a fraidy cat and the other is a fighting wildcat. But they look exactly alike and cause a great deal of confusion until the Gangsters learn which is which.
