©CIL 20826 SHOULD LANDLORDS LIVE?

By Hal E. Roach

Wilmot McBeezle - millinery salesman in a small town, becomes dissatisfied and seeks new laurels in the big city.

Getting employment as a rent collector gives Wilmot the times of his life - and his experiences, some funny and others almost fatal imbues him with the knowledge that life is not as rosy as it is painted. Wilmot benefits by his experience - and following the call of his heart he returns to the little burg, content to roam no more.
