GALLOPING HOOFS
Chapter 4
"The Duplicate Box"

Story By Frank Leon Smith

Journey's End is sold to Richard Shaw and the race is declared a dead heat, so Carol's affairs are no better off, except that David Kirby saves the box and the crooks are arrested. When the box is opened Shaw's secretary substitutes a replica, in which is found $15,000 and a letter telling Carol to accept Shaw's advice. Shaw sells Journey's End back to her. Kirby discovers the boxes have been changed. He rides Gold Blaze across country, meets the train at the tunnel and drops onto it from the telltale, surprising Shaw as he is about to open the original box.
