"THE GREAT CIRCUS MUSTERY"

Episode No.10 -"The Leopard Strikes"

With BONOMO

Adams has completed the peril pact. His automobile is attacked by Trixie's faithful friends. Landow sweeps down with Farrell in a plane. The auto turns over. Adams' followers seize their pursuers' auto and make for the ship.

Landow lands from the plane on a motorboat. Then he pulls alongside the big boat and climbs aboard. Once in France he slips past the customs guard but has a terrific time in shaking off the police who persist in attempting to arrest him.

The girl is rescued by Farrell and the Hindus. Adams drops the ruby which is picked up by Landow. The latter and the Mystery Man realize that Adams is going south in search of the pearls. They follow and take him prisoners.

Then they journey to the Leopard City. When the Sultan sees the sacred ruby, he frees them all -except Adams. Then he tells the Mystery Man he is free to reveal his true identity. ...He proves to be Darrell's father. The man chained to the grindstone is Trixie's father. He is released and Adams is condemned to take his place.

Trixie accepts Landow. Farrell, sad that he has lost out with the girl, but happy to have found his father, congratulates them.
