"PIRATE HAUNTS"

A motion picture (not a photoplay) in five parts.

Copyrighted by GRAND FEATURE FILM COMPANY

This subject opens with Port Limon, Costa Rica. We are then shown the Banana Industry of that country, traveling thence to San Jose, where we are shown the principal buildings, the Government Lottery, etc. During the taking of this picture there is a total eclipse of the sun and we are cast into complete darkness. The sugar industry of Costa Rica is then shown and, while on the way to Fort San Lorenzo, the queer animals of this country are shown. After leaving Fort San Lorenzo, we sail up the Chagres River where is shown the Tarpon fishing, the Gatun Spillway and farther up the river is shown the wonderful Cocoa Industry of this country, one that employs many men.
