SUBTITLES

1. Whence comes the Columbia, the great river of the American Northwest?

2. We are now where the Columbia rises. We are also in the heart of the Canadian Rockies and in the midst of a perfect sea of mountains.

3. Hoary mountains capped with everlasting snows, -----

4. ----- down whose mighty scarps -----

5. ----- the waters of the babbling brooks, -----

6. ----- hasten to swell the ludid lakes, or -----

7. ----- to join the joyous Columbia, as it threads its smiling valleys.

8. From beetling cliff to towering peak, the eye roves in wondering admiration, ----

9. ----- pausing to rest on clumps of slender fir and stately pines -----

10. ----- mingling amid the glorious confusion of broken rocks.

11. Mighty canyons carved in bygone ages by rushing mountain streams, -----

12. ----- urge the traveller to explore their alluring mysteries.

13. A thousand charming vistas, dyed in Nature's unmatched colours, -----

14. ----- fill the soul with silent worship and the heart with vain regret -----

15. ----- that one cannot linger forever where the great river of the Northwest gathers its waters for its journey through Nature's wonders to the sea.
