ANIMAL ATHLETES

1.(7) The human race has no copyright on the instinct for sport or play;

2.(6) Every four-footed entry has the same age-old instinct.

3.(5) A puppy and a kid are nature's greatest mates.

4.(8) Their competition is older than that of Yale and Harvard by a thousand years.

5.(6) The deer, Paddock of the woods, also figures in sport --

6.(6) But unfortunately he is on the wrong end of the gun.

7.(8) The African Gnu, although caged, must have his morning work-out. Bronx-Zoo, N.Y.C.

8.(5) His face may be silly but his feet are fast.

9.(4) Gnu stuff.-

10.(6) The bear is the original play boy of the Western world.

11.(7) In the zoo he quits playing to see what makes the camera click.

12.(10) But two young giants lately captured in the wilds, start training for water polo. Pincher Creek, Alberta

13.(8) After the work-out they use Henri Reviere, famous guide as the training table.

14.(6) What would polo be without the pony? Meadow Brook Club, L. I.

15.(4) Putting on the shin guards for battle.

16.(9) They love the game as much as the riders, and take the field with the same spirit.

17.(5) Even the grim police dog demands his play time.

18.(4) Football is his favorite pastime.

19.(4) A novelty in cat-fishing.

20.(5) Play at both ends of the line.

21.(6) And the horse is at least 75 per cent of the steeple-chase.

22.(10) At the brilliant Rose Tree Hunt the crowd finds him more important than the rider.

23.(5) There's an equine thrill at every barrier.

24.(5) He also knows the strain in the stretch. (Change of title)

ANIMAL ATHLETES

35.(5) You may not think of the fur seal as an athlete.

36.(5) But how many humans can dive OUT of the water?

37.(6) Seals have their swimming meets about nine times a day.

37*(4) They are the Johnny Weismullers of the surf.

38.(6) After all, the dog's favorite sport is chasing a stick.

39.(10) C.F.Peter's great collie, "Sandy", holds the world's record as a stick retriever.

30.(4) The slow motion shimmy -

31.(3) "Just once more" -

32.(7) This sport for him has football, baseball and golf licked to a frazzle.

33.(4) Punching the bag is another popular dish.

34.(5) The bag in this case happens to be a balloon.

35.(5) The nose lands the punch instead of taking it.

36.(6) Here is perfection of rythm, grace and beauty in action.

37.(3) "I could do this all day - "

38.(15) The four-footed animal helps to prove that sport and play are among the oldest instincts of the living breed, dating back beyond all times.

39.(3) The End.
