COUNCIL FAILS TO INDORSE WILSON

Bowman Resolution Meets Scant Consideration, Securing But Fifteen Votes.

MANY APPROPRIATIONS

East End Gets Important Improvement at Thirty-First and Grace Streets.

Appropriations for equalizing the pay of public school teachers, for purchase of an automobile hook and ladder truck for the Fire Department, for purchase of a tract of land for enlargement of William Byrd Park, and a large number of other important papers received the approval of the Common Council last night. But fifteen hands were raised among the thirty-five members present when an effort was made to pass a resolution indorsing the nomination of Woodrow Wilson for President. The Council refused to reimburse certain paving contractors for the expense of members on a recent junket to Atlantic City in connection with a street paving contract, and deferred action on an ordinance forbidding Councilmen or members of municipal boards from taking such trips in future at the cost of prospective contractors or applicants for franchises.

Justice to School Teachers.

A resolution came over from the Board of Aldermen for concurrence appropriating $16,510.67 for increase of pay of public school teachers other than in the white elementary grades, the Elementary Teachers' Association having forced the Council last winter to give to its own members all of the increase provided in the budget for all classes of school employes. The justice of the companion increase was readily seen, and the vote was unanimous, the increase in pay of janitors and those employed throughout the year to date from July 1, and of teachers and principals other than in the white elementary grades to date from September 1 next.

The Board of Aldermen also reported that it had adopted an ordinance making it unlawful for any city officer or employe, member of the City Council or of any municipal board, to accept free transportation or to visit or travel at the expense of any person, firm or corporation which may be an active or prospective applicant for contracts or franchises, imposing a fine of from $50 to $500 for violation. Mr. Umlauf stated that he was in favor of the principal involved, but thought the paper should go to the Ordinance Committee.

Vote for Delay.

Mr. Blake thought its intent perfectly plain, and that no reference was necessary. He would "break up this running around of Councilmen at somebody else's expense." The Council refused to suspend the rules, and the paper was referred to the Ordinance Committee, the roll call on the motion to put the ordinance on its passage being as follows:

Ayes—Blake, Bowman, Bradley, Burke, Fergusson, Gill, Hobson, Miller, J. C. Powers, Ratcliffe, Richards, Richardson, Seaton, Seiph, Peters—15.

Noes—Batkins, Butler, Cease, Fuller, Hadden, Hirschberg, Huber, Mills, Pollard, Pollock, Powell, J. T. Powers, Rogers, Sullivan, Umlauf, Vanderlear, Workman—15.

Absent—Boschen, Brown, Jones, Lumsden, Pinner, Reade, Weston and Wiltshire.

On recommendation of the Committee on Streets the Council adopted a resolution authorizing the transfer or exchange of six acres of city property adjoining Maury Cemetery, South Richmond, for the right to dig gravel for street purposes from certain property in the same section belonging to the Broad Rock Mineral Springs Company, for a period of twenty-five years.

No Clock for New Bank.

The Committee on Streets recommended that permission be given to the First National Bank Building Corporation to erect and maintain an illuminated clock on a pole at the southwest corner of Ninth and Main Streets. Mr. Mills objected that it was the policy of the Council to have all such obstructions removed from streets in congested sections, and that this was probably the most congested corner in Richmond. Reference was made to obstructing show cases on the same block which are a public nuisance, and the Wilson resolution was rejected 12 to 22.

Murphy's Hotel was given permission to close adjoining sidewalks during rebuilding, and permission was given the Kline Motor Car Corporation to connect with the Fair Grounds sewer.

Permission was given the Liggett & Myers Tobacco Company to erect an immense electric sign, forty by forty feet, to contain 1,600 electric bulbs, on the roof of the Brown Building at the northeast corner of Eighth and Broad Streets.

Some Appropriations.

An appropriation of $2,800 was made to acquire lot at 806 South Pine Street for enlargement of the Arents's public schoolyard for playground purposes, the dwelling to be moved back as a home for the janitor. An appropriation of $5,000 was made to the Board of Health's vaccination account, and the pay of the keepers of Scury and Riverview Cemeteries was increased to $1,000 per annum each. The salary of the medical inspector of the Health Department was increased to $1,800 by unanimous vote, after a most interesting statement by Dr. Reede of the work being done by the Health Department. An appropriation of $[illegible] was made to rebuild the Laburnum Street Fire Engine House.

The Board of Fire Commissioners was authorized to pay certain hospital, physician, undertaker and nurses' bills in connection with the injuries and death of certain firemen at the recent Hinswanger fire. The Street Committee was authorized to smooth pave Thirty-second Street from Grace to Broad, beside Chimborazo Park, to cost $4,500. Employment of a fourth deputy building inspector was authorized, and the pay of the clerk to the Building Inspector was fixed at $1,200 per annum.

Pay Fixed at $5,000.

The ordinance fixing the pay of members of the Administrative Board at $5,000 each was adopted without comment, and an appropriation of $2,000 was made to pay commissioners for revision of registration books.

On recommendation of the Finance Committee the Board of Aldermen authorized a contract for a modern automobile hook and ladder truck, to cost not more than $11,000, the fund to be provided in the annual budget for 1913, when an additional hook and ladder company will be installed.

The Finance Committee recommended rejection of a resolution appropriating $1,500 for repairs in Jefferson Park, and the paper was rejected 11 to 12. An appropriation of $1,000 was made for grading Taylor's Hill Park.

Would Not Indorse Wilson.

At this point Mr. Bowman asked suspension of the rules in order that he might offer a resolution endorsing the Virginia delegation at the Baltimore convention in vote for Woodrow Wilson and his speech before the convention. The motion was followed by a brief seconding speech by Mr. Pollock. Mr. Mills objected that it was not a pertinent question for the Council to act upon; that the delegates of this congressional district were on the ground and were fully competent to deal with the situation, and that such action would be impertinent and inopportune, and might make the Council ridiculous. Mr. Blake was not positive that Wilson was the man who should be named. He would take anybody before Bryan, if it came to a pinch, but would prefer Clark to Wilson. Out of the thirty-five members present but fifteen votes were cast for suspension to place the Wilson resolution on its passage.

About the Junket.

The Committee on Finance recommended rejection of a resolution appropriating $615.83 to reimburse certain paving contractors for the expenses of entertaining Councilmen at Atlantic City and other points. The members had gone junketing without any authority from the body, and the committee considered it a bad precedent to allow members to incur debts for the city to pay without special authority, and the resolution was rejected.

The Finance Committee recommended an appropriation of $[illegible] for equipment of the new Madison and Buchanan Street schools, which was tabled under the rules. The Water Committee was authorized to acquire an easement across Belle Isle for a water main to South Richmond. The Water Committee was authorized to pension Benjamin R. Jones, a valued employe, growing old in the service, at $[illegible] per month.

On recommendation of the Street Cleaning Committee the Council approved the award of contract to J. T. Nichols for erection of brick and concrete stables for the Street Cleaning Department to cost $[illegible]. The plaster contract went to W. F. Mahoney at $[illegible]. The Grounds and Buildings Committee recommended adoption of a resolution donating the chairs and chairs of retiring members of the Council to them on their retirement August 31. Mr. Umlauf thought the Council had no right to seat men whom the people had refused to seat in the recent primary, and the resolution was rejected. Repeated efforts to reconsider also failed.

Must Abate Nuisance.

An ordinance was adopted requiring owners of vacant lots to remove weeds when notified to do so by the Health Department, and the traffic ordinance was amended to permit loaded vehicles on cross streets even though sleighs travel. On report of the Ordinance Committee papers looking to the annexation of Barton Heights and other adjoining districts were transmitted to the incoming Council.

Mr. Bowman offered on roll call a proposition for employment of a permanent municipal band of eighteen men throughout the year, which went to the Finance Committee, it being contemplated an appropriation of $[illegible] a year.

Mr. Pollard called from the table and secured adoption of a resolution providing for purchase of the Whitlaker property for enlargement of William Byrd Park, to cost $[illegible]. The resolution carried an appropriation of $[illegible] in addition to the $25,000 provided in the annual budget for this purpose. The tract embraces a handsome grove of oak trees, a dance hall and several buildings, and will prove a most valuable addition to the park.

East End Improvement.

Mr. Pollard also called up, and secured approval of the Richards resolution appropriating $[illegible] for erection of retaining walls, extension of the Church Hill tunnel, and the opening of Grace Street from Thirtieth to Thirty-second. It was explained by Mr. Richards that the improvement would so far as possible preserving the disastrous slides in the park, and would at the same time be a great improvement to the entire East End section, making a new driving entrance to the park.

An appropriation of $[illegible] was made to pay the salary of the custodian of the City Dock pending adoption of ordinance regulating the use of the Dock.

Mr. Rogers offered and had referred to the Finance Committee a resolution appropriating $[illegible] for membership of the city in the Atlantic Deeper Waterways Association, and providing $[illegible] for expenses of a delegation from this city to the convention to be held at New London, Conn., September 4. A communication from State Auditor Moore in regard to checking and certifying the fines collected in the Police Court and accounting for same was referred to the Committee on Ordinance, Charter and Reform.

AIDS TITANIC MEMORIAL.

Mrs. Carter Harrison Enrolled as Member of General Committee.

Washington, July 1.—Mrs. Carter H. Harrison, wife of the Mayor of Chicago, has enrolled as a member of the general committee of 100 of the Women's Titanic Memorial, and has notified the headquarters officials in this city of her intention to work for the success of the movement for "women's tribute to heroic manhood."

Mrs. Harrison's interest in the memorial project was aroused by Mrs. John Hays Hammond, who, with her husband, was in Chicago during the recent Republican National Convention. Mrs. Harrison at once decided to take an active part in the work of the memorial, and she will begin the task of organizing local branches in Chicago and Illinois and interesting club women and society women of Chicago in the raising of funds with which to erect the memorial to the men who went down with the Titanic, that women and children might be saved.

TWO DIE AS AUTO UPSETS.

Third Passenger Is Mortally Wounded in Accident on Road.

Auburn, N. Y., July 1.—Charles Stephens, editor of the Skaneateles Free Press, and William Topp, also of Skaneteles, were killed, and John Dean, of Auburn, probably was fatally injured when Mr. Dean's touring car, roaring at high speed on the Meridian-Cato State road, near Cato last night, skidded off the road, struck a telephone pole and turned turtle, catching all three men beneath it.

The accident happened near the Judson Cook farm, and Mr. Cook and others lifted the heavy car from the men. Mr. Stephenson and Mr. Topp were dead, and Mr. Dean, unconscious, was taken to the hotel at Cato, where he was attended by physicians, but they held out no hope for his recovery.

McClung Is Discharged.

Lynchburg, Va., July 1.—John C. McClung, who was indicted a month ago in the Corporation Court on the charge of the larceny of $500 of the funds of the Jewel Fruit Company, which made assignment several months ago for the benefit of creditors, was discharged to-day and nolle prosequi was entered as to the indictment.

THE WEATHER.

Forecast: For Virginia—Showers Tuesday or Tuesday night and probably Wednesday; light to moderate southeast winds.

For North Carolina—Local showers Tuesday and probably Wednesday; moderate east and southeast winds.

NUMBER OF DEAD NOW PLACED AT 41

Fully 400 Persons Injured, and Property Loss Will Reach $10,000,000.

Regina, Saska, July 1.—The number of dead as the result of the tornado that struck Regina and vicinity last night is now placed at forty-one. It is expected that when the list finally is completed it will show a total of eighty deaths, as many persons were boating on Vascana Lake when the storm struck, and only a few of them have been accounted for.

Fully 400 persons were injured, and of these a few are expected to die. The property loss will reach fully $10,000,000.

The military has been recalled from its annual encampment and is in charge of the city.

The storm lasted only a short time; in fact, it was over so quickly that the people hardly had time to realize what had taken place, and some of the escapes from death were miraculous.

Buildings only a block from the path of the storm were injured only slightly. The first intimation that those outside of the storm zone had of the disaster was when three girls who had escaped from the wrecked telephone exchange, belonging to the government telephone lines, appeared at a newspaper office and told their experiences. The young women had slid from the second floor of the telephone building to the basement, carried down by a fifteen-ton switchboard.

Rescue Work Is Begun.

Soon hundreds of willing hands began the work of rescue.

The electric light plant supplying the city was put out of commission when the storm struck, causing confusion and retarding the work.

The new parliament building, just completed at a cost of $2,000,000, was one of the first struck, and while it still stands was badly shaken.

Many freaks of the wind are shown. The roof of the fancory building was carried three blocks and crashed through a handsome new residence. Four livery stables were demolished, and every horse in each of them killed.

The escape of seventy-five girls working in the telephone exchange was probably the most miraculous of any. The building was demolished. It was at first believed that a large number had been killed. Superintendent J. R. Sutherland wired the general office at Winnipeg early in the night that probably twenty girls had been killed and forty injured. This, however, proved to be untrue. Just how many were injured is not known, but none was killed nor fatally injured.

List of Dead and Injured.

The following is the list of dead so far recovered and identified:

J. J. Bryon, manager of the Thorpe & Anderson Company; J. X. Scott, George Craven, Mrs. Guthrie, Mrs. W. T. McDonald, Mrs. Logie and child, Mrs. J. L. McKay and two children, Mrs. Fred Hindson, James Hindson, Rev. Thomas House, Mr. and Mrs. Blenchom, formerly of Illinois; Mrs. William Shaw, John Fergusson, Laurence Hodsman, ten years old; Arthur Donaldson, W. C. Grey, William McMarda, William Crabb, Charles Lynn, E. Frompton, A. R. McKillopp, Mrs. G. McDougal and three daughters, W. J. Wilson, M. F. Restadd, Mrs. H. Ayre, James P. Coffee, Lisbon Island; T. W. Harris, three Chinamen, unidentified.

Injured:

Mrs. E. P. Gordon, Ellen Nykins, Mrs. Holmes, Mrs. Susan Holmes, Mrs. Graham, Jessie Graham, James Louickle, Mrs. A. Bruce, Alexander Reasortson, Mr. McKegney, Lois Bates, E. Blenkhorn, Frank Garston, Carl Keister, J. P. Hudson, James Dunn, Mrs. James Dunn, Vera A. Saunders.

On Lorn Street, one of the principal residence thoroughfares, scarcely a building is left standing.

Railway Buildings Hazed.

The Canadian railway yards are a flat expanse of ruined snoops and trains. Not a whole car remains in the yards. Some of them were picked up by the wind and carried for several blocks. One was carried clear through the freight sheds.

The whole north side of the city is practically wiped out. No one knows how many are dead on that side.

A canoe was carried from Wascana Lake to Victoria Park, a distance of three-quarters of a mile, and dropped there. Sailing vessels were picked out of the water and strewn over the southern portion of the city.

The cupola of the Baptist Church was dropped in the middle of the street three blocks away.

Late in the evening clerks were working in the ruins of the local branch of the Royal Bank setting things to rights when some men, seeing the door unlocked, walked in and demanded the money there to their credit.

Grain Elevator Dislodged.

One of the largest grain elevators facing the railway yards was picked up bodily and carried a distance of fifty feet from its foundation.

There were many pathetic incidents during the night of searching for dead and wounded when the workers discovered some members of their own families among the debris.

Husbands were searching for wives and mothers for the children. Men would stop in their work of rescue from time to time to inquire from a passing acquaintance for news of friends or relatives. Many families were separated at the time of the storm. The day had been extremely hot, and many had sought comfort in the parks. A large number of people were out on the waters of Wascana Lake when the storm broke, and five are known to have been drowned, failing to reach the shore in time.

In the meantime the work of relief for those made so suddenly destitute has been started. Every home in the city that is standing has been thrown open to the homeless.

THE CENTAUR COMPANY, NEW YORK CITY.

News of South Richmond

South Richmond Bureau,
The Times-Dispatch,
1019 Hull Street,
Phone Madison 1745.

Receipts in Washington Ward for the month of June, reported by Deputy Treasurer J. W. Brenneman, Jr., show a total of $[illegible], of which 30 per cent. comes back to the Southside for use on the street improvements. The largest single item is $[illegible], current taxes collected by Deputy Collector J. T. Robinson for H. L. Hulcher. Mr. Robinson also turns over to T. C. Walford $[illegible] in delinquent taxes.

Dog taxes, $[illegible]; vehicle wagon licenses totaled $[illegible]; water rents, $[illegible]; Maury Cemetery, $[illegible], and Mt. Olivet Cemetery, $[illegible]. To prove that Justice Maury, of the Police Court, Part 2, is earning his salary, [illegible] is set down as the collections from his court in fines from the Hustings Court, Part 2, were $[illegible].

Hurt First Day in City.

Less than 48 hours after he reached the city and just at the end of his first day's work, Warren Young, colored, twenty-three years old, fell from an abutment on the new Mayo Bridge, and now lies in the City Hospital in a precarious condition with a broken spine, it is feared.

Young hails from Spotsylvania county. He came to the city yesterday morning to take a job as a laborer on the new Mayo Bridge. When the "clock" struck noon the man started to the ground, and in some way lost his balance and topped off the abutment backwards. He fell a distance of about twenty feet, landing square on his back. Fellow-workmen carried him to a safe point. The city ambulance in charge of Dr. H. Taylor Hawkins responded to a call and after giving the man attention carried him to the City Home.

Supervisors Meet Here.

For the purpose of apportioning the work of the county road force for the next six months the Chesterfield Board of Supervisors will meet to-morrow morning at 11 o'clock in the courthouse in Washington Square. The county roads at present are in an excellent condition, and with the opening of several which are now being constructed the county will be as well equipped as any in the State. Substantial concrete bridges, spanning the creeks and branchs, have been erected on every road.

Following the meet, the supervisors, accompanied by Commonwealth's Attorney Haskins Hobson and County Engineer W. W. LaPrade and Attorney E. P. Cox and Engineer J. P. Walker, of the Atlantic Coast Line, will make a tour of inspection of the proposed crossings to be erected by the railroad company where their new belt line crosses the Ben Air and River Roads.

Fined for Contempt.

Holding that failure to appear when his case was called is contempt, Justice H. A. Maurice, of the Police Court, Part 2, yesterday imposed a fine of $2.50 on Gilbert Turner, who was taken into custody on an attachment issued by order of the court. Turner was arrested last week on a trivial charge and was granted a continuance. Ignoring the date set for the hearing he failed to appear. Justice Maurice is determined that his court shall be respected, and will deal summarily with all offenders hereafter.

Ordered "Skinned" in Court.

Samuel Hopkins, a diminutive negro, too small to be punished otherwise, was ordered "skinned." The boy's mother took him aside and administered a sound thrashing. The boy was charged with throwing rocks at a woman.

Upon the withdrawal of the warrant, Robert Geyser, charged with nonsupport, was yesterday dismissed.

Frank Farmer was sent to jail for fifteen days in default of a fine of $5 and costs on a charge of being drunk and disorderly.

With the Police.

Jane Avery, forty-five years old, was arrested yesterday on a warrant, in which she is charged with cursing and abusing Henry Branch, a colored neighbor.

John Wallace, colored, was placed under arrest last night on a warrant, in which he is charged with crapshooting. John, or "Low Brow," as he is known, is said to have been one of a gang of bone manipulators caught last week by Captain A. S. Wright and Officer J. A. Baugher.

Visiting Committee to Visit.

Southside members of the visiting committee of the Richmond Junior Order United American Mechanics will meet tonight at 7.45 o'clock at the corner of Eleventh and Hull Streets for the purpose of paying a fraternal visit to Rescue Council, No. 1. This lodge is the mother council of the State, and a large crowd and pleasant evening is anticipated.

Officers Are Installed.

Recently elected officers were installed last night by Rocky Ridge Council, No. 29, Jr. O. U. A. M., at their regular weekly meeting. Following the installation several fine addresses were made by visiting brothers.

Game at Athletic Park.

Burk & Company, of the Richmond League, will play the American Clothing Company Thursday afternoon at Athletic Park, Fourteenth and Everett Streets. The Southside boys are leading the league and are putting up a fine game. Their opponents are well up in the first division, and are also playing good ball.

Funeral of Walter Green.

The funeral of Walter Wallace Green, the three-year-old son of Mr. and Mrs. Perry A. Green, who died Sunday at the home of his parents at Woodland Heights, was held yesterday afternoon at 4:30 o'clock. The services were conducted at the grave in Maury Cemetery.

Death of Infant.

Katherine, the two-months-old infant of Mr. and Mrs. E. L. Ervin, died Sunday afternoon at her parents' home, 312 Mcdonough Street. The funeral will take place this afternoon, although the hour has not been determined. The interment will be in Riverview Cemetery.

The child, with its twin sister, Pauline, was the first in the State to be registered under the new vital statistics law, passed at the last session of the Legislature.

Holds Lawn Party.

The Philathea Society of the Porter Street Presbyterian Church gave a lawn party last night on the church lawn. A considerable sum was netted by the sale of ice-cream and cake.

To Have Lawn Party.

For the benefit of the Clopton Street Baptist Church a lawn party will be given tonight at the residence of Mrs. W. E. Sadler, 115 Cowardin Avenue.

Personal Mention.

Miss Gladys James, of Crewe, is the guest of Miss Marie Ellington.

Kemper Walke was a visitor Sunday in Petersburg.

Mrs. John Jeffers, of Wilmington, N. C., is visiting her brother, William Jeffers, at Woodland Heights.

Miss Katherine Daniels returned Sunday from Newport News, where she spent the past few months.

OBITUARY

J. T. Dunn.

J. T. Dunn died yesterday afternoon at his residence, 2905 Floyd Avenue. He leaves his wife and six children.

Announcement of the funeral arrangements will be made later.

Albert S. Drewry.

A telegram from Galveston, Texas, received here announces the death in that city a few days ago of Albert S. Drewry, formerly of Norfolk and Richmond.

Mr. Drewry was a faithful and gallant Confederate soldier. He enlisted in the Purcell Battery in this city, commanded by R. Lindsay Walker, on its organization in April, 1861, and served with this famous command in all the engagements of the Army of Northern Virginia until the close at Appomattox.

At the close of the war Mr. Drewry removed to New York, and after a short residence there went to Galveston, Tex., where he made his home until his death. He will be mourned by many old friends in Richmond and Norfolk, as well as in his adopted home. His remains were laid to rest by the side of his wife's in Greenmount Cemetery, Baltimore.

George T. Downing.

[Special to The Times-Dispatch.]

Fredericksburg, Va., July 1.—Geo. T. Downing, a well-known citizen, died at his home here yesterday after a long illness, aged sixty-five years. He was a native of Maryland, but had lived in this city ever since the Civil War, in which he took part as a Confederate soldier. He is survived by his wife, two sons and two daughters.

Morris Burton.

[Special to The Times-Dispatch.]

Fredericksburg, Va., July 1.—Morris Burton, of Stafford county, died at his home in Falmouth, after a brief illness, aged thirty-three years. He is survived by his widow and two children.

Mrs. Mary Ann Mayo.

[Special to The Times-Dispatch.]

Charlottesville, Va., July 1.—Mrs. Mary Ann Mayo, aged eighty-one years, widow of Briar Mayo, for years prominent in railroad circles, died last night at the home of her daughter, Mrs. George Burton, at Crozet, this county. Mrs. Mayo was a Miss Garrison, of Harrisville, this county, and for a number of years after her marriage resided in Charlottesville. Three sisters survive her—Mrs. Bettie Baber and Mrs. C. K. Murray, of Charlottesville, and Mrs. Mattie Glass, of Lynchburg—and one brother, Isaac Garrison, of Richmond.

The funeral will be conducted at the Hillsboro Baptist Church by the Rev. L. Peyton Little.

Mrs. Katherine Link.

Salisbury, N. C., July 1.—Mrs. Katherine Link, aged seventy-three years, died this afternoon at her home here, Salisbury. She had been sick several weeks, and is survived by three daughters, Mrs. Julia Sides, Mrs. H. A. Owens and Mrs. Billie Cranford.

Mrs. Annie M. Wood.

[Special to The Times-Dispatch.]

Lynchburg, Va., July 1.—Mrs. Annie M. Wood, widow of John H. Wood, who died in Appomattox county two years ago, died to-day at the home of her daughter, Mrs. W. N. Turner, 1714 Union Street.

Mrs. Wood came here about two years ago and she was in ill health during this period. She was a native of Appomattox county, and was in her seventy-ninth year.

Funeral of Guy C. Beck.

[Special to The Times-Dispatch.]

Salisbury, N. C., July 1.—The funeral of Guy C. Beck, who died at his home, in Salisbury, Saturday night, was held Sunday afternoon by Rev. H. C. Sprinkle, pastor of Spencer Methodist Church. He was twenty-nine years old, and is survived by a wife and three small children.

DEATHS

DUNN—Died, at 1 P. M., July 1, 1912, at his residence, 2905 Floyd Avenue, J. T. DUNN, in his fifty-seventh year. He is survived by a widow and six children.

Funeral notice later.

McCULLOUGH—Died, at Quite Hall, Powhatan county, Va., GEORGE L., eldest son of Frank J. and Alice L. McCullough, aged six years.

Funeral TUESDAY MORNING, July 2, 1912, from his brother's residence, 2209 Beverly Street, at 10:30 o'clock. Interment at Mt. Calvary Cemetery.

FUNERAL NOTICE

EDMUNDS—Houston, Va., June 28, 1912.—The funeral of HENRY ARCHER EDMUNDS, whose death occurred Thursday morning at the home of his mother, Mrs. Captain Henry Edmunds, was held at St. John's Church Friday afternoon at 5 o'clock. He was the only son of the late Captain Henry Edmunds, and was in his twenty-eighth year. Besides his mother, he leaves three sisters, Mildred Coles, Sallie and Grace Edmunds.

WHAT S.S.S. STANDS FOR

The familiar letters, S. S. S., stand for Swift's Sure Specific, a name honestly and fairly earned by a great blood remedy. The majority of physical afflictions are caused by bad blood, because a weak, polluted circulation deprives the system of its necessary strength and disease-resisting powers. S. S. S. cures every disorder which comes from weak or diseased blood, it tones up and regulates every portion of the system, and creates an abundant supply of nourishing properties which permeate the circulation and bring health to the body. S. S. S. is made entirely of healing, cleansing roots, herbs and barks, which are also possessed of great tonic properties. It does not contain a particle of mineral or other harmful drug, and is therefore the purest and safest blood medicine for young or old. S. S. S. cures Rheumatism, Catarrh, Sores and Ulcers, Skin Diseases, Scrofula, Malaria and all other troubles of a deranged circulation. Book on the blood and any medical advice free.
