Re: Cableview Comm.
2016/1 Missing Statement of Account

Dear Cable Operator:

The Licensing Division of the Copyright Office is in the process of reviewing payments that were received with no Statements of Account and/or any additional information to determine its purpose for the above referenced remitter.

On **September 28, 2016**, we received an ACH payment in the amount of **\$67.00** from your company. However, to this date, we have not received a statement(s) or additional information identifying how to apply this royalty fee.

As of January 1, 2014, all statements of account submitted to this office must include a filing fee. Filing fees for Cable operators are: Cable SA-1: \$15.00, Cable SA-2: \$20.00, and Cable SA-3: \$725.00. For more information regarding filing fees, please visit: <http://www.copyright.gov/licensing/>.

The submission of a Statement of Account lacking the required information or fees may jeopardize the validity of your statutory license, and your secondary transmission activity may be subject to full liability under the copyright act. Without a statutory license, a cable system could be sued by copyright owners for the full range of civil remedies for copyright infringement, including injunctions, actual damages and profits, or statutory damages (of up to \$150,000 in cases of willful infringement). The statute also provides for criminal penalties in cases of willful infringement for commercial purposes.

Please review this matter and send the **original and a copy** of the statement(s) of account, so that this royalty may be applied correctly. Your reply should be returned with a copy of this letter. I can be reached by phone at (202) 707-8129 or email at jema@loc.gov with any questions or responses regarding this matter.

Sincerely,

Jessica Martin
Licensing Examiner
