INSTRUCTIONS FOR THE SA 1-2E SHORT FORM – EXCEL FORMAT  
The SA1-2E is a U.S. Copyright Office Form  
Email completed workbook to:  
[coplicsoa@loc.gov](mailto:coplicsoa@loc.gov)

#### Submitting the form

- This form is effective beginning with the January 1 to June 30, 2017 accounting period (2017/1).
- When complete, this workbook should be signed electronically using an "/s/" signature (e.g., /s/John Smith) in Space O and saved and submitted as a Microsoft Excel workbook (.xls or .xlsx). Email the workbook in native Excel format to the U.S. Copyright Office Licensing Division at [coplicsoa@loc.gov](mailto:coplicsoa@loc.gov). Do not print and mail the workbook to the U.S. Copyright Office. There is no need to remove the instructions tab before submitting the template by email. Do not add additional worksheet or workbook protections to the template before submitting, as that may cause your submission to be rejected.

#### General Instructions

- *Alphabetization:* Alphabetization is NOT required for any spaces.
- *Protection:* Certain cells in this workbook have been protected so that the user does not accidentally edit the underlying formulas that allow the form to function properly. Do not make changes to either the structure or the formats within this workbook or your submission may be rejected.
- *Navigation:* To navigate between the tabs, use a mouse to click on the tab listings at the bottom of the screen to select the tab you wish to view/edit, or press Ctrl + Page Up or Down. Within a tab, use the mouse or the arrow keys to navigate between fields. Depending on the settings in Excel, hitting the "Tab" button on the keyboard will not necessarily move the user to the next tab, nor will it necessarily move the user to populate the next field within a tab.
- *Data Input:* Provide information in all highlighted cells throughout the workbook (as applicable). Non-highlighted cells may contain formula.

Detailed instructions are located at the end of the paper SA1-2 form, located at:  
<https://www.copyright.gov/forms/sa1-2.pdf>

**Privacy Act Notice:** Section 111 of title 17 of the United States Code authorizes the Copyright Office to collect the personally identifying information (PII) requested on this form in order to process your statement of account. PII is any personal information that can be used to identify or trace an individual, such as name, address and telephone numbers. By providing PII, you are agreeing to the routine use of it to establish and maintain a public record, which includes appearing in the Office's public indexes and in search reports prepared for the public. The effect of not providing the PII requested is that it may delay processing of your statement of account and its placement in the completed record of statements of account, and it may affect the legal sufficiency of the filing, a determination that would be made by a court of law.

<b>E</b>  <b>Secondary Transmission Service: Subscribers and Rates</b>	<p><b>SECONDARY TRANSMISSION SERVICE: SUBSCRIBERS AND RATES</b>  <b>In General:</b> The information in space E should cover all categories of secondary transmission service of the cable system, that is, the retransmission of television and radio broadcasts by your system to subscribers. Give information about other services (including pay cable) in space F, not here. All the facts you state must be those existing on the last day of the accounting period (June 30 or December 31, as the case may be).  <b>Number of Subscribers:</b> Both blocks in space E call for the number of subscribers to the cable system, broken down by categories of secondary transmission service. In general, you can compute the number of subscribers in each category by counting the number of billings in that category (the number of persons or organizations charged separately for the particular service at the rate indicated—not the number of sets receiving service).  <b>Rate:</b> Give the standard rate charged for each category of service. Include both the amount of the charge and the unit in which it is generally billed. (Example: "\$20/mth"). Summarize any standard rate variations within a particular rate category, but do not include discounts allowed for advance payment.  <b>Block 1:</b> In the left-hand block in space E, the form lists the categories of secondary transmission service that cable systems most commonly provide to their subscribers. Give the number of subscribers and rate for each listed category that applies to your system. <b>Note:</b> Where an individual or organization is receiving service that falls under different categories, that person or entity should be counted as a subscriber in each applicable category. Example: a residential subscriber who pays extra for cable service to additional sets would be included in the count under "Service to the first set" and would be counted once again under "Service to additional set(s)."  <b>Block 2:</b> If your cable system has rate categories for secondary transmission service that are different from those printed in block 1 (for example, tiers of services that include one or more secondary transmissions), list them, together with the number of subscribers and rates, in the right-hand block. A two- or three-word description of the service is sufficient.</p>

<b>F</b>  <b>Services Other Than Secondary Transmissions: Rates</b>	<p><b>SERVICES OTHER THAN SECONDARY TRANSMISSIONS: RATES</b>  <b>In General:</b> Space F calls for rate (not subscriber) information with respect to all your cable system's services that were not covered in space E, that is, those services that are not offered in combination with any secondary transmission service for a single fee. There are two exceptions: you do not need to give rate information concerning (1) services furnished at cost or (2) services or facilities furnished to nonsubscribers. Rate information should include both the amount of the charge and the unit in which it is usually billed. If any rates are charged on a variable per-program basis, enter only the letters "PP" in the rate column.  <b>Block 1:</b> Give the standard rate charged by the cable system for each of the applicable services listed.  <b>Block 2:</b> List any services that your cable system furnished or offered during the accounting period that were not listed in block 1 and for which a separate charge was made or established. List these other services in the form of a brief (two- or three-word) description and include the rate for each.</p>

**In General:** In space G, identify every television station (including translator stations and low power television stations) carried by your cable system during the accounting period, *except* (1) stations carried only on a part-time basis under FCC rules and regulations in effect on June 24, 1981, permitting the carriage of certain network programs [sections 76.59(d)(2) and (4), 76.61(e)(2) and (4), or 76.63 (referring to 76.61(e)(2) and (4))]; and (2) certain stations carried on a substitute program basis, as explained in the next paragraph.

**Substitute Basis Stations:** With respect to any distant stations carried by your cable system on a substitute program basis under specific FCC rules, regulations, or authorizations:

- Do *not* list the station here in space G—but do list it in space I (the Special Statement and Program Log)—if the station was carried *only* on a substitute basis.
- List the station here, and also in space I, if the station was carried both on a substitute basis and also on some other basis. For further information concerning substitute basis stations, see page (v) of the general instructions.

**Column 1:** List each station’s call sign. *Do not* report origination program services such as HBO, ESPN, etc. Identify each multicast stream associated with a station according to its over-the-air designation. For example, report multistream "WETA-2" as the same on the form.

**Substitute Carriage: Special Statement and Program Log**

**SUBSTITUTE CARRIAGE: SPECIAL STATEMENT AND PROGRAM LOG**  
**In General:** In space I, identify every nonnetwork television program, broadcast by a distant station, that your cable system carried on a substitute basis during the accounting period, under specific present and former FCC rules, regulations, or authorizations. For a further explanation of the programming that must be included in this log, see page (v) of the general instructions in the paper SA1-2 form.

**1. SPECIAL STATEMENT CONCERNING SUBSTITUTE CARRIAGE**  
 • During the accounting period, did your cable system carry, on a substitute basis, any nonnetwork television program broadcast by a distant station?  YES  NO  
**Note:** If your answer is "No", leave the rest of this page blank. If your answer is "Yes," you must complete the program log in block 2.

**2. LOG OF SUBSTITUTE PROGRAMS**  
**In General:** List each substitute program on a separate line. Use abbreviations wherever possible, if their meaning is clear. If you need more space, please add additional rows to the tables.  
**Column 1:** Give the title of every nonnetwork television program ("substitute program") that, during the accounting period, was broadcast by a distant station and that your cable system substituted for the programming of another station under certain FCC rules, regulations, or authorizations. See page (v) of the general instructions for further information. Do not use general categories like "movies" or "basketball." List specific program titles, for example, "I Love Lucy" or "NBA Basketball: 76ers vs. Bulls."  
**Column 2:** If the program was broadcast live, enter "Yes." Otherwise enter "No."  
**Column 3:** Give the call sign of the station broadcasting the substitute program.  
**Column 4:** Give the broadcast station's location (the community to which the station is licensed by the FCC or, in the case of Mexican or Canadian stations, if any, the community with which the station is identified).  
**Column 5:** Give the month and day when your system carried the substitute program. Use numerals, with the month first. Example: for May 7 give "5/7."  
**Column 6:** State the times when the substitute program was carried by your cable system. List the times accurately to the nearest five minutes. Example: a program carried by a system from 6:01:15 p.m. to 6:28:30 p.m. should be stated as "6:00-6:30 p.m."  
**Column 7:** Enter the letter "R" if the listed program was substituted for programming that your system was *required* to delete under FCC rules and regulations in effect during the accounting period; enter the letter "P" if the listed program was substituted for programming that your system was permitted to delete under FCC rules and regulations in effect on October 19, 1976.
