Re: Premier Communications Inc.- Sioux Center, IA (ID 20121) 2022/1

Dear Carol Rozeboom:

In Part 9 of the DSE schedule, KPTH-DT3 was reported as a distant signal to the communities in group 7. Yet, this station was not listed as distant in Space G or Parts 2 and 6 of the DSE schedule.

In addition, gross receipts were not reported for subscriber groups 10 and 11.

Please remember that Effective March 20, 2020 there is a \$50 amendment fee for any and all material changes. Additional information on this fee can be found on our website at www.copyright.gov/licensing. A copy of the Licensing Division Electronic Funds Transfer Remittance Advice form, which can also be obtained on our website, should be completed and e-mailed to me and licfiscal@loc.gov prior to any EFT.

Please review and make the necessary corrections. To expedite the process, you may e-mail your response directly to me at tyca@copyright.gov.

Sincerely,

Tymica Carroll
Sr. Licensing Examiner

Notice: Please be aware that any email correspondence associated with the examination of licensing documents may be considered part of the office's public record and may be subject to disclosure to other parties upon request.

The submission of a Statement of Account lacking the required information or fees may jeopardize the validity of your statutory license, and your secondary transmission activity may be subject to full liability under the copyright act. Without a statutory license, a cable system could be sued by copyright owners for the full range of civil remedies for copyright infringement, including injunctions, actual damages and profits, or statutory damages (of up to \$150,000 in cases of willful infringement). The statute also provides for criminal penalties in cases of willful infringement for commercial purposes.
