Dear Mr. Haskins:

In accordance with Section 201.17 (i) of Copyright Office regulations, late payments and underpayments received after the filing deadline will be assessed an interest charge.

It appears the above statement of account was 18 days late. Please revise Space L and P adding the interest due which would be 1.00% on the royalty fee.

Any additional payment plus interest must be submitted by electronic funds transfer (EFT). Please complete a Licensing Division Electronic Funds Transfer Remittance Advice Form and email back to me along with a copy of this letter. These forms can be found at <http://www.copyright.gov/licensing>.

If you should have any questions, you can reach me by email.

Sincerely

Donna M. Loy  
Sr. Licensing Examiner
