Hi Steven Holler,

Thank-you for your response. A copy will be included in the electronic file along with the statement. To prevent future correspondence, if the communities for that subgroup have been reported in other groups, that subgroup should be removed from the statement.

Thank-you,

Tymica

Hi Tymica,
All the subscribers in that subgroup had been reclassified into other subgroups. The zero figure for the gross receipts for the third subscriber group is correct.
Thank you,
Steve Holler

Re: Blue Ridge Cable Technologies Inc.-Milford, PA (ID 27953) 2022/1

Dear Steven Holler:

In Part 9 of the DSE schedule, four subscriber groups were reported. However, it seems the gross receipts were not reported for the third subscriber group. Please review.

Your response can be emailed directly to tyca@copyright.gov. If you wish to make changes to the statement, keep in mind that effective March 20, 2020 there is a \$50 amendment fee for any and all material changes. Please remit any underpayment by electronic funds transfer (EFT). A copy of the Licensing Division Electronic Funds Transfer Remittance Advice, which can be found at www.copyright.gov/licensing, should be emailed to licfiscal@loc.gov and tyca@copyright.gov prior to the EFT.

You can reach me at (202) 707-8163 or via e-mail if you should have any questions.

Sincerely,

Tymica Carroll

The submission of a Statement of Account lacking the required information or fees may jeopardize the validity of your statutory license, and your secondary transmission activity may be subject to full liability under the copyright act. Without a statutory license, a cable system could be sued by copyright owners for the full range of civil remedies for copyright infringement, including injunctions, actual damages and profits, or statutory damages (of up to \$150,000 in cases of willful infringement). The statute also provides for criminal penalties in cases of willful infringement for commercial purposes.
