RE: Cogeco US (Delmar), LLC – 2022/1
King George, VA (ID #28667)

Dear Mr. Bratton:

In Space D of the above referenced statement of account, 6 communities were listed (King George, Bowling Green, Colonial Beach, Uninc. Caroline County, Uninc. Westmoreland County and Westmoreland, VA.). In Space G, 7 different channel line ups were listed. In part 9 of the DSE schedule, 8 different groups were listed. Please review and correct all applicable parts of the statement, ensuring that all sections are completed correctly.

The submission of a Statement of Account lacking the required information or fees may jeopardize the validity of your statutory license, and your secondary transmission activity may be subject to full liability under the copyright act. Without a statutory license, a cable system could be sued by copyright owners for the full range of civil remedies for copyright infringement, including injunctions, actual damages and profits, or statutory damages (of up to \$150,000 in cases of willful infringement). The statute also provides for criminal penalties in cases of willful infringement for commercial purposes.

As of March 20, 2020, a \$50 amendment fee will apply to any changes or alterations made to a previously submitted statement of account, regardless of content, or affect on royalty or refunds.

If you have any questions, I can be reached via email at jema@copyright.gov.

Sincerely,

Jessica Martin
