Danny,

I do have a question regarding what you said about "three systems". Were they all contained in the Big Springs (#29483) SOA or should I look for two other SOAs so that another examiner does not email you about the same issue?

Good Afternoon,

It appears you have handled this situation correctly. I will just file a copy of our correspondence with the statement in case it is needed for future reference. Thank you and have a great day.

Hi Erica, we sold three NE systems in May of 2022 so we had no subs on 6/30/22. We did make a final payment since we had revenue in 2022/1. Please let us know if that was not the right way to handle. Thanks.
