Dear Mr. Haskins:

In accordance with Section 201.17 (i) of Copyright Office regulations, late payments and underpayments received after the filing deadline will be assessed an interest charge.

It appears the above statement of account was 18 days late. Please revise Space L and P adding the interest due which would be 1.00% on the royalty fee. The amount due is \$7.95.

Please complete a Licensing Division Electronic Funds Transfer Remittance Advice Form and email to licfiscal@loc.gov or fax to (202) 707-0905 prior to sending the EFT. These forms can be found at <http://www.copyright.gov/licensing>.

If you should have any questions, you can reach me by email.

Sincerely

Donna M. Loy
Sr. Licensing Examiner
