Dear Mr. Turnley:

It appears there was an underpayment received for the above statement of account. The amount due is \$342.53. However, we only received \$337.50, therefore there is still a balance of \$5.03 due.

Any additional payment plus interest must be submitted by electronic funds transfer (EFT). Please complete a Licensing Division Electronic Funds Transfer Remittance Advice Form and email to [licfiscal@loc.gov](mailto:licfiscal@loc.gov) or fax to (202) 707-0905 prior to sending the EFT. These forms can be found at <http://www.copyright.gov/licensing>.

If you should have any questions, you can reach me by email.

Sincerely

Donna M. Loy  
Sr. Licensing Examiner
