Dear Ms. Mooneyham:

It appears that the above referenced cable system has underplayed its royalty fee by \$31.92. The amount due is \$31,014.71, but we actually only received \$30,982.79.

Any additional payment plus interest must be submitted by electronic funds transfer (EFT). Please complete a Licensing Division Electronic Funds Transfer Remittance Advice Form and email to licfiscal@loc.gov or fax to (202) 707-0905 prior to sending the EFT. These forms can be found at <http://www.copyright.gov/licensing>.

You may contact me via email at dloy@loc.gov, for any questions concerning this matter.

Sincerely,

Donna M. Loy
