RE: Oneida Cablevision, Inc – 2022/1  
Oneida, IL (ID #62560)

Dear Ms. Gibson:

It appears as if an underpayment has occurred on the above referenced statement of account. Based on the gross receipts amount reported in Space K, a filing fee amount of \$20 was due, however, \$15 was submitted.. Please review.

If you agree that an underpayment has occurred, please submit the additional amount in the form of an EFT to this office. Please email ([jema@copyright.gov](mailto:jema@copyright.gov) and [licfiscal@copyright.gov](mailto:licfiscal@copyright.gov) ) the enclosed remittance advice form to this office when making your payment so we can properly allocate it to the correct statement. For more information, please visit [www.copyright.gov/licensing](http://www.copyright.gov/licensing).

The submission of a Statement of Account lacking the required information or fees may jeopardize the validity of your statutory license, and your secondary transmission activity may be subject to full liability under the copyright act. Without a statutory license, a cable system could be sued by copyright owners for the full range of civil remedies for copyright infringement, including injunctions, actual damages and profits, or statutory damages (of up to \$150,000 in cases of willful infringement). The statute also provides for criminal penalties in cases of willful infringement for commercial purposes.

If you have any questions, I can be reached via email at [jema@copyright.gov](mailto:jema@copyright.gov).

Sincerely,

Jessica Martin
