Dear Mr. Ward:

In Space G and parts of the DSE schedule for the above referenced statement of account, it appears that several multicast streams were reported as network signals and given a 0.25 DSE value, such as WKYT-2, WLEX-2, WTVQ-2, WTVQ-3 and others. According to our resources it seems these multicast streams may be independent signals and carry a 1.0 DSE value.

An additional review of the call signs and station types reported in Space G may lead to changes to the statement of account. Any responses or revisions can be e-mailed directly to me at [dloy@copyright.gov](mailto:dloy@copyright.gov).

Effective March 20, 2020 there is a \$50 amendment fee for any and all material changes. Additional information on this fee can be found on our website at [www.copyright.gov/licensing](http://www.copyright.gov/licensing). A copy of the Licensing Division Electronic Funds Transfer Remittance Advice form, which can also be obtained on our website, should be completed and e-mailed to me and [licfiscal@loc.gov](mailto:licfiscal@loc.gov) prior to any EFT.

Please return a copy of this letter with your response. Please complete the Licensing Division Funds Transfer Remittance Advice form found at [www.copyright.gov/licensing](http://www.copyright.gov/licensing). The completed form should be sent by email to ([licfiscal@loc.gov](mailto:licfiscal@loc.gov)) or faxed to 202 707-0905 prior to submitting the EFT. If you should have any questions, you can email me at [dloy@loc.gov](mailto:dloy@loc.gov).

Sincerely,

Donna M. Loy  
Sr. Licensing Examiner
