Re: Alpine Cable Television LC – Guttenberg, IA (ID 63237) 2022/1

Dear Margaret Corlett:

We received a wire transfer in the amount of \$856.37 to cover the royalties for 5 statements of account (SOA). It appears the filing fee was overpaid for three of the submitted SOA's, (ID 63594, 63699, 63468). After our Fiscal Department dispersed the royalties and correct filing fees, it seems there was an overpayment of \$15 which was applied to this statement.

If you agree with our findings and believe a refund is due, please complete and submit the attached EFT form along with your response. You may e-mail your response directly to me at tyca@copyright.gov.

Feel free to contact us if you have any questions.

Sincerely,

Tymica Carroll
Sr. Licensing Examiner

Notice: Please be aware that any email correspondence associated with the examination of licensing documents may be considered part of the office's public record and may be subject to disclosure to other parties upon request.

The submission of a Statement of Account lacking the required information or fees may jeopardize the validity of your statutory license, and your secondary transmission activity may be subject to full liability under the copyright act. Without a statutory license, a cable system could be sued by copyright owners for the full range of civil remedies for copyright infringement, including injunctions, actual damages and profits, or statutory damages (of up to \$150,000 in cases of willful infringement). The statute also provides for criminal penalties in cases of willful infringement for commercial purposes.
