RE: Hardy Telecommunications, Inc. – 2022/1
Hardy County, WV (ID #63463)

Dear Ms. Shipley:

A refund in the amount of \$1,580.54 has been approved for the above listed statement of account. This is due to the wrong form being filed. Since the form type changed from a SA-3 to a SA-2, an additional \$20 was due for the filing fee. This amount was deducted from the refund amount. As of March 20, 2020, a \$50 amendment fee will apply to any changes or alterations made to a previously submitted statement of account, regardless of content, or effect on royalties or refunds. This amount was also deducted from the refund amount.

Original royalties paid	\$6,236.80
Amended royalties due	\$4,606.26 (\$3,861.26 + \$725 +\$20)
Amendment fee due	\$50
Refund amount	\$1,580.54

The Library of Congress is adopting a federal best practice by transferring its payment processes to the U.S. Treasury. As of April 3, 2017, the U.S. Treasury began issuing all checks and electronic funds transfer (EFT) payments on behalf of the Library. As a result of this change the U.S. Treasury may subject some payments to reductions under the Treasury Offset Program, through which the Treasury collects delinquent debt owed to federal and state agencies. For frequently asked questions about the Treasury Offset Program, visit https://www.fiscal.treasury.gov/fsservices/gov/debtColl/faqs/debt_questions.htm

The refund will be issued to the account reported on the Library of Congress Vendor Information Request by Electronic Funds Transfer. If you have any questions regarding this matter, I can be reached at jema@copyright.gov or (202) 707-8129.

Sincerely,
