Re: Vermont Telephone Co

Dear Mr. Mathews:

There appears to be an underpayment due for the above statement of account. This was caused from completing the wrong form. The long form should have been completed since the gross receipts reported were over \$527,600.00. The total amount due is \$2,414.95. This includes the past due, the filing fee of \$725.00 for submitting the SA3 long form that needs to be submitted now, as well as the amendment fee of \$50.00 for a material change.

In accordance with Section 201.17 (i) of Copyright Office regulations, late payments and underpayments received after the filing deadline will be assessed an interest charge.

New Licensing Division Fees Effective March 20, 2020.

The Copyright Office has adopted a new fee schedule, beginning March 20, 2020, that affects fees throughout the Office, including the Licensing Division (see the Federal Register, 85 FR 9374). The fee changes affect cable, satellite, and DART filers as well as those seeking section 112 and 114 licenses.

For amended statements of account filed by cable and satellite systems and digital audio recording device (DART) importers/manufacturers, the fee has been reduced to \$50; however, it is important to note that the Office intends to charge that amendment fee in a wider range of circumstances. For information on the new fees for Division services, see Circular 76. This fee is due for any material changes.

Please enclose a copy of this letter with your response and completed long form. Any additional payment plus interest must be submitted by electronic funds transfer (EFT). Please complete a Licensing Division Electronic Funds Transfer Remittance Advice Form and email to licfiscal@loc.gov or fax to (202) 707-0905 prior to sending the EFT. These forms can be found at <http://www.copyright.gov/licensing>.

If you should have any questions, you can reach me by email.

Sincerely,
