Good Morning,

Can you confirm what form needs to be completed on the Pay.Gov website for the interest payment due, so we can remit payment as soon as possible? We've submitted the Royalty payment for the submission, this is just interest after the fact?

It's a small amount so we could pay via credit card through the site as well without having a debt blocker lifted.

Hello,

Can you confirm if an entry needs to be made on Pay.gov for an ACH debit, or can an ACH credit be made for the interest payment needed of \$6.13?

This determines how we prepare our information internally for the payment to be sent.

Thank you,

Angela Kramer

Hi Angela,

That may be a question for someone in the Fiscal Section. Unfortunately, us Examiners do not work with Pay.gov.

The email address for Fiscal is [licfiscal@copyright.gov](mailto:licfiscal@copyright.gov).

You can also call 202-707-8150 to reach someone in the Information Section and they may be able to transfer you to someone in Fiscal.

Sincerely,

Tymica

Thank you Tymica,

I'm working with Accounts Payable (internally), so they can have the debt blocker removed from the account for the payment.... When the last payment was submitted we needed the code from Pay.gov when the payment information was loaded on our side so the payment can be pulled by Library of Congress..... I just wanted to confirm we'd still need to complete that unless an ACH Credit (we push the money to Library of Congress) can be completed?

Thank you,

Hello Angela Kramer,

Since there are no changes made to the statement, this is not considered an amendment and does not require the \$50 amendment fee.

Your reply confirming that you are submitting the interest underpayment and a completed Remittance Advice are the only required documentation.

Thank-you,

Tymica

Hi Tymica,

Can you confirm if this is considered an amendment, and a \$50 filing fee is required?

If it's not considered an amendment, can you confirm the only document required for this is the remittance advice?

Thank you,
