Good Morning,

I have not received any new information regarding your first submitted statement. Could you please resubmit that statement to me and a confirmation or information regarding when payment for that statement was submitted and the amount?

Best Regards,

Erica Hilliard

I am including our Information section in this conversation so we can research further how the Minford statement of Account was processed. You should have received a PDF version of your e-SOA submission with the official receipt date last accounting period. I will let you know when I receive any information.

The 62814 is definitely City of Barnesville. I believe there was a mistake with the first submission for Minford. The first submission we did had that number by mistake. How do we find what the number should be?

Good Morning,

Our previous records show 62814 as City of Barnesville, MN Statement of Account. The statement recently submitted for ID# 62814 is showing communities/townships within Ohio.

Sincerely,
