Re: Alliance Communications Coop Inc. - Howard, SD (ID 665) 2022/1

Dear Kari J. Flanagan:

In Space L of the above referenced Statement of Account, the cable system reported a royalty fee of \$1,526.91 plus the \$20 filing fee, which totals \$1,546.91. However, the amount submitted was \$1,566.91. Please review.

If you agree with our findings, it seems this error has resulted in an overpayment of \$20. Please complete and submit an EFT form along with your response, if you believe a refund is due. An EFT form is attached for your reference. You may fax or e-mail your response.

Sincerely,

Tymica Carroll

The submission of a Statement of Account lacking the required information or fees may jeopardize the validity of your statutory license, and your secondary transmission activity may be subject to full liability under the copyright act. Without a statutory license, a cable system could be sued by copyright owners for the full range of civil remedies for copyright infringement, including injunctions, actual damages and profits, or statutory

damages (of up to \$150,000 in cases of willful infringement). The statute also provides for criminal penalties in cases of willful infringement for commercial purposes.
