Dear: Ms. Heck,

It appears no permitted basis was reported in Part 6 of the DSE Schedule, please complete this section of the statement of account and return to me, so I may continue with my examination.

Next, New Licensing Division Fees Effective March 20, 2020.

The Copyright Office has adopted a new fee schedule, beginning March 20, 2020, that affects fees throughout the Office, including the Licensing Division (see the Federal Register, 85 FR 9374). The fee changes affect cable, satellite, and DART filers as well as those seeking section 112 and 114 licenses.

For amended statements of account filed by cable and satellite systems and digital audio recording device (DART) importers/manufacturers, the fee has been reduced to \$50; however, it is important to note that the Office intends to charge that amendment fee in a wider range of circumstances. For information on the new fees for Division services, see Circular 76. This fee is due for any material changes.

Please return a copy of this letter with your response. Please complete the Licensing Division Funds Transfer Remittance Advice form found at www.copyright.gov/licensing. The completed form should be sent by email to (licfiscal@loc.gov) prior to submitting the EFT. If you should have any questions, you can email me at dloy@loc.gov.

Sincerely,

Donna M. Loy
